FROM THE RETIREMENT CORNER

Dear Cousin:

Just dropping you a note about our monthly senior's luncheon's at the Rankin Centre. Sure wish you could get to our gathering. Each time we go through the doors of that building I am amazed that this community centre is here in little old Rankin. The facility is beautiful – the washrooms are the cleanest we've ever seen! Before lunchtime we have a speaker (when the Paramedics speak it is such a reassuring blessing – we even get our blood pressure checked). Tea, coffee and cookies are available at 11:00, and our delicious lunch is served at Noon. Our April lunch consisted of scalloped potatoes, maple ham, salads, buns and more. Your Uncle Wes really loved the blueberry cake and ice cream for dessert! We also enjoyed musical entertainment by Dave & Kathy Beskau singing, playing accordion and guitar. We are very fortunate that the lead volunteer Marlyn Sauk, and her helpers, took on this must needed mission. Sharing in fellowship is such a blessing. So come if and when you can.

50'S & 60'S DANCE

The second 50s & 60s dance was another great success. Many thanks to Saar's Store, Kingburger, Plummer Marine and Valley Automotive, who sold tickets for us and a big thank you to all the business' who donated items for our silent auction. It was greatly appreciated. Another big thank you to Kent & Barb Plummer for all your help and advertising you did to promote this event. Shelley, Murray and I truly enjoyed our joint effort on making this another successful fundraising event. We also thank everyone who purchased tickets. We hope you enjoyed the evening of excellent music from Eddy and The Stingrays. Looks like they will be coming back next year, so be watching for the date soon.
