BETTER SAFE THAN SORRY

We would like to thank all those who answered the call to come and help shovel the Rankin Centre roof. It is so nice to see the volunteers answer a call for help and it shows the pride you have in your Centre. Sometime things come up and we don't have much time to organize, so thank you to all who answered the call. Because we are afraid of missing someone we will not name, names, but we know who you are and we appreciate your help. THANK YOU.

MISSING TROPHY

We are looking for the largest buck trophy from our collection of trophies and it seems to have disappeared. If anyone might have it or know where it is please give us a call (613) 735-0224, so we can up-date the plaques and get it back in the trophy case. Thank you.
