RINK BOARDS NEED REPLACING

We are looking for someone who is willing to head a fundraising committee to raise money for new rink boards around the ice surface. If you could at all help out, please give Sandra a call at 613-732-3241. We need this done before winter or there will be no ice because our boards are in very rough shape. DEAR RANKIN COMMUNITY

The Rankin Culture & Recreation Centre is now working on creating a program offered to children ages 4-10. I, Miranda Ashick will be coordinator. I want to begin planning fun and engaging activities for our local children but the first step is to find out if we have the interest of the community. I have attached my e-mail and phone number, please contact me if you are interested. This information will help me determine the type of programs I will offer and how to schedule the dates the program will run. As of right now, I am planning to offer a children's program once a month on Sunday afternoons for a few hours. However, this is just an idea, it may change. It will be a drop off program. I am a fully registered Early Childhood Educator as well as an elementary teacher within the Renfrew County School Board so you can feel comfortable leaving your child/children with me. Once I have approximate numbers I will then be sending out registration forms so I will know the exact number of children to expect each month. There will be a charge for the program, however it will not be much it is to simply cover the costs of craft supplies and other materials for the program. I am also working on creating a children's library for the community. I am hoping to have this ready by the time the children's program starts. I am still looking for gently used books. If you have any, you are no longer using, it would be greatly appreciated! Feel free to contact me by e-mail or call me if you are interested in the program.

BASKET AUCTION

Just a reminder to remember our basket auction coming up on Nov. 5th. As you know we are counting on you again to help us out with a basket or items for one. This is the time to be watching for sales. The basket can be as big or as little as you like. We are only asking that your guide be to donate items that you would be interested on bidding on.

You pick the theme you want. We already have people who have offered to donate the following basket items, dog, foot care, bird seed, sewing, kitchen items.

Because we want different themed packages, we ask that, if you can help us out, please call Muriel (613) 735-0224 and let her know your theme. If you have any questions she will be happy to answer them.
