Building

We are getting ready to start on the outside work. The stone from the south side of the Centre was moved to the back of the rink, thanks to Murray Keuhl. He also brought us a load of gravel for the sonotubes. The sonotube has been purchased to use for the post bases and all we need now is to dig some holes. So let me know if you can help.

ADVERTISING

The Rankin Culture and Recreation Centre is now offering businesses an opportunity to advertise on their website www.rankincentre.ca. As rentals for the new centre increase so does traffic on the Centre's website. Advertising on the Centre's site is a wonderful opportunity for businesses who provide complimenting services to draw people to their own website. Our newly re-designed site features a page entitled "links" which is dedicated to advertisements (and links) to other businesses. Ads are being sold for the nominal fee of **\$50 per year**. Included in the price is the set-up of the ad (if you don't already have one you would like used). Please contact **April Verch** at office@aprilverch.com or **613-735-8698** for more information or to get started with you ad.

But we make a life by what we give.
