SONG BOOK

Grace Rutz has graciously donated copies of the book "Wally's Words" with lyrics and poems, (to be used as songs) written by her late husband Wally. Wally was a locate artist who made his home in Rankin. Wally spent a lot of time writing songs and playing his guitar and he was very supportive of his Community. His dream was to publish this book and when he wasn't able to do that, Grace promised she would do it for him. We are selling this book for \$20.00. Wally would be very happy to know that it will be helping out the local Rankin Centre. There are limited copies available, so don't be disappointed. If you would like a copy give Muriel a call at (613) 735-0224.
