Questions That May Haunt You

Why do you have to 'Put your two cents in' ... but it's only a 'penny for your thoughts'? Where's that extra penny going to?

Once your in heaven, do you get stuck wearing the clothes you were buried in for eternity?

Why is it that people say that they 'sleep like a baby' when babies wake up like every two hours?

If a deaf person has to go to court, is it still called a hearing?

ADVERTISING

The Rankin Culture and Recreation Centre is now offering businesses an opportunity to advertise on their website www.rankincentre.ca. As rentals for the new centre increase so does traffic on the Centre's website. Advertising on the Centre's site is a wonderful opportunity for businesses who provide complimenting services to draw people to their own website. Our newly re-designed site features a page entitled "links" which is dedicated to advertisements (and links) to other businesses. Ads are being sold for the nominal fee of \$50 per year. Included in the price is the set-up of the ad (if you don't already have one you would like used). Please contact **April Verch** at office@aprilverch.com or **613-735-8698** for more information or to get started with your ad.

A Chuckle or Two

A Frickin' Elephant

Jake is five and learning to read. He points at a picture in a zoo book and says, "Look Mama! It's a frickin' elephant"

Deep breath... "What did you call; it?"

"It's a frickin' Elephant, Mama! It says so on the picture!"

and so it does....

"A f r i c a n Elephant"

Hooked on phonics!

Ain't it wonderful?
