**CARNIVAL 2016**

Because our carnival committee is so small this year, getting around to ask people for donations may be slow, so if anyone wishing to donate a prize or money donation towards the carnival, please contact Julie Nieman or Sandra Johnstone. We by no means want to miss anyone. This will help out the carnival committee in their task of organizing another successful carnival. I will be calling for food donations, workers in the bar/kitchen/booth and selling food tickets. We do appreciate your help in whatever way possible. Sincerely, President - Sandra

**NOTE FROM THE PRESIDENT**

At this time, I would like to thank all our volunteers in all the different committees we have forming our Recreation Centre and to all the other volunteers that assist them. Our community has wonderful people in it and many of you give countless hours of work and some of you, "behind the scenes", so to speak. What comes out as an enjoyable event for those that attend, has many hours of preparation by our volunteers. Please keep up the great work and know that you are most certainly appreciated. Along with our event planners and helpers, I also would like to thank all of you who attend our events and many of you are faces we see at multiple events throughout the year. It is great to have you participate. We've had some bumps in the journey this year at the Recreation Centre, but we are confident that we will meet our goals and expectations for 2016. One of them being our NEW ICE SURFACE. As we are coming to the end of another year, we must count our blessings and share in the love of a great community. May you have a safe and blessed Christmas! President - Sandra Johnstone
