BUILDING

All work on the building has now been put on hold for the winter. We would really like to get the roof over the A/C units and the new storage area completed in the Spring. Please keep this in mind over the winter and we will get at it when the snow melts! A huge thanks to all those who helped out during the year. The Centre would not be what it is today without all of your support. Merry Christmas to everyone and all the best in the New Year.

ICE MAKING

We need help making ice on the rink for the winter. If you can help, please contact Kevin Clarke at 613-628-3419 or email at con_kev_cla@hotmail.com

This is a chance for you to get in the festival season and enjoy the company of family and friends. You can even do a bit of Christmas shopping. See you there.

FUNDRAISING

Sweets by the Pound - next to the carnival this is one of the more profitable events and this is once again the case. A big thank-you to all who baked, to those who worked (especially those who rose before dawn on a Saturday morning to set up) and to all who purchased goodies.

CARNIVAL 2012

Carnival buttons have been distributed. If I missed anyone, please give me a call at 613-735-5938. The schedule of events is complete and flyers will be included with next month's newsletter. We are trying to keep the carnival family-oriented and have tried to incorporate suggestions given to us. In January, members of the committee will be calling for your help in the form of donations of food, money, prizes and most importantly TIME. Please be as generous as you have been in the past. This is our most important fundraising event and money raised is used for maintenance and up-keep of the Centre as well as paying off the mortgage.

HOCKEY

Any children interested in playing hockey please call Kevin Clarke at 613-628-3419 or email at con_kev_cla@hotmail.com

HELP!!

We are in desperate need of individuals to assist in setting up programs both inside and out such as ice-making, hockey, euchre, library, etc. We have a wonderful facility, so please contact any member of the executive if you can help out in any way to utilize the centre to its fullest.

BOOTH WORKERS

Those of you who have a booth worker sheet, please make the following correction to the sheet.

4th – Dave & Ann Wirth 628-1823

We will let you know when there is ice either by newsletter or a phone call. Remember if you cannot work on your night it is your responsibility to get someone to cover for you. This system worked very well in the past and I'm sure it will work again this year.

We are still short a worker for the 20th of each month so please, if you can help out, give me a call or if you can put your name on the supply list it sure would be a help. Thank you to Dave & Ann Wirth for stepping up to the plate, it is much appreciated.

If you can help or just want more information, call Muriel at 735-0224. Remember if no-one steps forward the rink will have to be closed on certain days. At the most it would mean no more than 4 days from December – March.

NEXT MEETING

The next regular meeting of the Rankin Culture & Recreation Centre will be held Wednesday, January 4, 2012 at 7:00 pm at the Rankin Centre. Everyone is welcome. Hope to see you there!
